

## October 8, 1943, letter from B.A. Botkin to H.M. Bond

**October 8, 1943 Dr. Horace Bond, President The Fort Valley State College Fort Valley, Georgia**

Dear Dr. Bond:

We have just sent you by express a set of duplicates of the records made by Professor Willis Laurence James. You now have a complete set of duplicates as originally provided for. Before we can close out the project, however, we must ask you to return all unused blanks and the cutting needles which Lewis Jones left with you. May we hear from you at your earliest convenience?

Sincerely yours, B. A. Botkin Assistant in Charge Archive of American Folk Song
